

IP65 : Suitable for Wet Locations  
 IK08 : Impact Resistant (Vandal Resistant)

## UGA-90051

### Gandalf 19 single area light type IV

A small size pole mount area light for metal halide or high pressure sodium lamps 70-150w and LED. A high quality asymmetrical reflector design creates broad light distribution. The high ingress protection allows these luminaires to be mounted for upward or downward lighting. The Gandalf can be aimed to suit specific light patterns with the adjustable arm. Designed for lighting private roadways, car parks, exhibition areas, service stations, truck stops and sports grounds.

Low copper content corrosion resistant die-cast aluminum body. Integral control gear. All external hardware in stainless steel. Durable silicone rubber gasket and clear toughened glass with quick release hinge aluminum clips for in-position lamp replacement. Anodized high purity aluminum reflector. The luminaire is treated with a chemical chromated protection before powder coating, ensuring high corrosion resistance.

#### Physical Data

Length: 27.7"  
 Height: 6.7"  
 Weight: 30.4lbs

#### Lamp

PMH-T15 200w

(For More Lamp options including LED, please Consult the Catalogue, Website or Contact The Ligman Lighting Factory)
